Vero promotes SSPO to Master WorkPLAN Reseller for Germany

Vero Software is pleased to announce the promotion of SSPO as the Master Reseller for WorkPLAN in Germany. Headquartered in Mannheim **SSPO** have quickly established themselves as a leading ERP Reseller in the German market, providing exceptional sales and service to manufacturing companies of all sizes.

On reaching this promotion, **Pishrow SHALI** - Founder and President of SSPO, said *“SSPO has been a successful reseller of WorkPLAN for years. Our team has implemented this powerful ERP system with many well-known companies. We appreciate the trust of Vero to appoint us to master reseller in Germany and are confident that existing and future customers are in good hands with us.”*

“We are confident that SSPO will make a very significant contribution to our WorkPLAN business in Germany in the coming years and that they will continue to provide first-class support to all our customers”, commented **Simon Lee** - General Manager and **Violette Teofilovic** WorkPLAN Business Manager.

Part of the Vero Software Group, **WorkPLAN** is an ERP job-management software solution especially suited for job shops, custom and made-to-order manufacturers. WorkPLAN is designed to automate and help manage their business processes. WorkPLAN manages your complete business activity starting from creating a Quote and going until you Ship-out the job & Invoice the customer. Vero has direct offices in the UK, Italy, Spain, France, Japan, USA, Brazil, Netherlands and China, while supplying products to more than 45 countries through its wholly owned subsidiaries and reseller network.

ENDS

Headquartered in England, Vero Software designs, develops, and supplies CAD/CAM/CAE software radically enhancing the efficiency of design and manufacturing processes, providing its customers with exceptional value through high productivity gains and significantly reducing time to market. The company's world-renowned brands include Alphacam, Cabinet Vision, Edgecam, Machining STRATEGIST, PEPS, Radan, SMIRT, SURFCAM, WorkNC and VISI, along with the production control MRP system Javelin. Despite the diversity of application, these

solutions have one thing in common: they all address the rising challenges of achieving manufacturing efficiencies and bring huge value to the operations in which they are deployed.

Vero has direct offices in the UK, Germany, Italy, France, Japan, USA, Brazil, Netherlands, China, South Korea, Spain and India supplying products to more than 45 countries through its wholly owned subsidiaries and reseller network.

Vero is part of Hexagon (Nordic exchange: HEXA B), a leading global provider of design, measurement and visualisation technologies that enable customers to design, measure and position objects, and process and present data.
